Import a Question Bank from Another Moodle Course

To Import a Question bank:

1. Go to the course you want to bring the questions into.
2. In the Administration menu, click **Import**. (This is the main Import link, not the Import under Question bank.)

3. Select the course from which you want to import the questions.

4. Click **Continue**.
5. Deselect everything except “Include question bank.”

6. Click **Next**.
7. Scroll to the bottom of the screen and click **Next**.
8. Scroll to the bottom of the screen and click **Perform Import**. It may take a few minutes for the import to complete.
9. When the import completes, click **Continue**. The questions should now be listed in your Question bank.
